

Monroe Street Pool Recreation Swim Schedule **June 17 – August 25, 2013**

| | |
|------------------|---|
| Mon - Fri | 1:30 to 4 PM & 5:45 to 7:30 PM |
| Sat - Sun | 12 to 4 PM |

- Children under 9 years old must be accompanied at all times by a responsible person, 16 years or older, who must also accompany them in the water if the child is unable to pass the swim test.
- Children must swim one length of the pool in good form which consists of swimming crawlstroke or breaststroke with full facial submersion and rhythmic breathing before entering water over four feet deep. If at any time the lifeguard is unsure of your swimming ability, you may be asked to perform the swim test to be able to use deep water.
- Inflatable devices can endanger the user by giving a false sense of security, and may fail to support the user. A limited number of Coast Guard approved life jackets are available for patrons' use at the pool. Please ask a staff member if you wish to borrow a lifejacket.

Fees: Cost is **\$2** per admission for those **under 18** years of age. Two children under 8 years old are admitted free with a per-admission adult who will be going in the water with the children. Cost for those **18 and over is \$4**. Adult Carlsbad residents receive a \$1 discount.

Please keep the shallow area by the stairs available for use by small children who can't touch bottom anywhere else. We ask that older children play in a way that won't be disruptive to younger ones; i.e., no splashing in that area, etc.

Health, safety and public decency shall always be upheld, and appropriate swimwear must always be worn by anyone in the pool or on deck.

During Recreation Swim the deep four lanes are used for the diving boards and deep play area and the shallow two lanes are available for shallow play. Please check in with staff at the front counter for any questions you may have. **Have FUN!**
